

Photovoice Prompt and Photo Upload Form

Impact of Trash Management on Environmental Justice in Hartford

This form will ask you to select 3-5 favorite photos that you took, upload them, describe them, and answer some questions about them. At the end, we will ask that you upload any additional photos you took for this assignment.

As a reminder, here is your PhotoVoice Assignment:

Take 5+ photos of the trash management process in your community that you feel are significant. This could be anything related to trash disposal, collection, recycling, composting, or areas impacted by trash or trash processing facilities.

As you take your photos and review them, reflect on the following questions:

- How do you and your household produce and manage trash?
- How do you think trash management affects the health, safety, or quality of life of the people *in your community*?
- How do you think trash management affects the health, safety, or quality of life of the people *in communities beyond your own in Greater Hartford*?
- Do you notice particular areas of Greater Hartford that seem to be more impacted by trash issues, and why do you think that is?
- If you could change one thing about the trash management system in Greater Hartford, what would it be?

Your Name or Participant Number (if you have requested confidentiality your files will be saved under your participant number, but you can list either here).

Upload your first photo here.

1. What title and caption would you give this photo? (Describe what you see in the image.)
2. How does this photograph represent your experience with trash management or environmental justice in Greater Hartford?
3. What emotions or thoughts does this image evoke for you about your community's environment?

Upload your second photo here.
