Lindaluz [00:00:00] A lot with youth, and so, you know, those who work with you in murals and art and creation stuff of that nature. This mural used to be on Park in Maine at one point, but once it started building out the. Apartment, you know, they had to find a new location, this was that which actually works a lot better. I think just because it is close to what we have already here with the garden, it's a nice addition. Oh, I love what she did with the pop up photo thing and.

Lindaluz [00:00:38] I'm blanking on that word, but yeah, this is, you know,

Lindaluz [00:00:41] Julia's work in collaboration with OPI, it looks like. Yes, in what way? Said, you know, when you have. Oh, that's me, no, you're

Lindaluz [00:01:04] remember, Julia. Yeah, let me see if I go off on her Instagram.
