Have you considered the Liberal Arts Action Lab?

Attend an Info Session!

Contact Professor Jeff Partridge, the Liberal Arts Action Lab's (LAAL) faculty director at Capital Community College, to answer any questions about the LAAL. We highly recommend attending an info session too! You can also see info on the CCC page about the Action Lab HERE.

How to Apply

Applications typically occur between October-November for the spring semester and March-April for the fall semester. To apply, you will complete the application form here.

Once you've submitted your application, if selected, you'll receive a formal email of acceptance and a confirmation email of enrollment.

After registering, you'll receive a request to submit a headshot to create your Trinity ID!

Pre-orientation

Before orientation, set up your Trinity email account. Check out Trinity's Library & Information Technology Services Quick Tips & Resources for instructions on setup. If you need further assistance, call the IT help desk at 860-297-2007 or email helpdesk@trincoll.edu

A laptop is needed for coursework in the LAAL. If you don't have one, the LAAL provides loaner laptops for the semester. Please email Laura.Minor@Trincoll.edu to request a form.

Orientation

At the beginning of each semester, a brief orientation is required for all Capital Community College students to attend. The fall 2023 semester's orientation will occur on Monday, August 28th, 1:30pm, at one constitution plaza on the third level.

During orientation, you will go over your course requirements, connect to Trinity's wifi network, and set up your Moodle account. If you requested a laptop loaner, you will receive it that day. You'll receive your Trinity ID, also.

Classes

You will have two classes at the Action Lab: Research Methods (Mondays 1:30-4:10pm), and your project class (times depend on your project). These courses will not appear with times on your CCC schedule, so be sure to account for them when you choose your other courses! Also, your LAAL courses will follow the Trinity College academic calendar, so be sure to make note of breaks and holidays (which may differ from CCC).
